NIGHT OWL DANCE - NEW YEARS EVE

Taigum Twirlers New Round Dance Class

Our first night was held on Thursday 2nd February 2017. What a turn-out - 23 dancers + Sid took to the floor for two hours of fun dancing.

During the night we learnt Left-Footers Onestep, Tuxedo Junction, Tippy Toeing and On the Bayou. We are so impressed at just how quickly everybody picked up the Two-step rhythm and we hope that you enjoyed your first Round Dancing experience as much as we enjoyed teaching you.

On the 15th of January, we had our annual mid January BBQ. This year the BBQ was held at the John Oxley Reserve, Murrumba Downs. We had an amazing spread of food that left our bellies very full. We also had games, great conversations and lively dancing to finish off the evening.

Our first Club night of the year was on the 25th of January. An Australiana Night, dancers came dressed in Aussie colours and their voices joining in with Australian songs. The night also had questions and answers relating to Australia. A great night was had by all.

Our 48th Birthday Party will be celebrated on Wednesday the 15th of March. Looking forward to an enjoyable evening of dancing and eating birthday cake.

FOOD FOR THOUGHT

The ten stages of a Square Dancer:

1. Beginner or Student
2. Square Dancer
3. Too good to dance with Beginners
4. Advance Square Dancer
5. Too good to dance with Mainstreamers
6. Challenge Square Dancer
7. Too good to dance at Advance level
8. Too good to dance with anybody
9. Non dancer
10. Back to dancing with beginners in order to have a good time.

Square dancing is a RECREATION - something to be enjoyed. Overlook and don't participate in petty criticisms that do not benefit your activity. A square dance club is like a bank - YOU CAN'T DRAW OUT MORE THAN YOU PUT IN!

A leader is not a leader if he stands alone. He should be able to look around and see his followers behind him.
