## LOL - Laugh Out Loud

A Minnesota couple decided to vacation to Florida during the winter. They planned to stay at the very same hotel where they spent their honeymoon 20 years earlier. Because of hectic schedules, it was difficult to coordinate their travel schedules. So, the husband left Minnesota and flew to Florida on Thursday. His wife would fly down the following day.

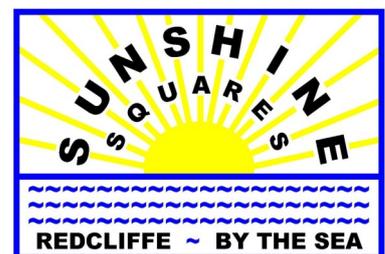

The husband checked into the hotel. There was a computer in his room, so he decided to send an e-mail to his wife. However, he accidentally left out one letter in her e-mail address, and without realizing his error, he sent the e-mail.

Meanwhile.....somewhere in Houston, a widow had just returned home from her husband's funeral. He was a minister of many years who was called home to glory following a sudden heart attack. The widow decided to check her e-mail, expecting messages from relatives and friends. After reading the first message, she fainted. The widow's son rushed into the room, found his mother on the floor, and saw the computer screen which read:

To: My Loving Wife  
Subject: I've Arrived

I know you're surprised to hear from me. They have computers here now and you are allowed to send e-mails to your loved ones. I've just arrived and have been checked in. I see that everything has been prepared for your arrival tomorrow. Looking forward to seeing you then! Hope your journey is not as uneventful as mine was. P.S. Sure is hot down here!

Callers are reminded to limit their calls to the advertised program. Calls from a list other than advertised should not be used unless they are walked through or workshopped first. If conducting a PLUS workshop, use only PLUS calls. If conducting a workshop for PLUS Dancers who want more, workshop should be labeled appropriately.

NOTE: the Plus Program is understood to include more creative use of the Mainstream moves from other than standard positions. For this reason, CALLERLAB recommends that the Plus Program calls be taught in not less than nineteen sessions of two hours each (total 38 hours).
